

**BODEGA BAY**  
**OPERATIONS AND MAINTENANCE**

PROJECT LOCATION AND DESCRIPTION: The project is located 60 miles north of San Francisco on the California coast. Bodega Bay is a shallow-draft harbor of sanctuary, supporting a Coast Guard search and rescue station, commercial and sport fishing, and recreational craft. The Operations and Maintenance schedule provides for periodic inspection and repair of breakwaters and infrequent (11-year cycle) maintenance dredging of the Federal Channel (including three turning basis) to -12 feet Mean Lower Low Water (MLLW).

TOTAL FUNDING:

TOTAL COST:	\$	N/A
FEDERAL COST:	\$	N/A
NON-FEDERAL COST:	\$	N/A

TOTAL FEDERAL COST FY04:	\$	1,749,000
FISCAL YEAR 05 BUDGET:	\$	0
COST TO COMPLETE:	\$	N/A

FY 04 AND 05 ACCOMPLISHMENTS: Funds will be used to complete National Environmental Policy Act (NEPA) documentation and revise and complete the abbreviated Dredge Material Management Plan (DMMP); initiate and complete contract plans and specifications for dredging the federal project, with disposal at the deep ocean site SFDODS; and perform maintenance, initiate, and complete dredging of the Federal channel, provided environmental compliance and funding are satisfactory.

ISSUES AND OTHER INFORMATION: The Local Sponsor has determined that any excavated material from the existing disposal site is unsuitable for current county public park facility development.

CONGRESSIONAL INTEREST: 1<sup>st</sup> District, Rep. Mike Thompson; 6<sup>th</sup> District, Rep. Lynn Woolsey

DISTRICT: San Francisco
